All shooters & rifles will be eligible for the X-count match as long as the following is met

To be eligible for end of season awards and X-count match prize money

a shooter ***must*** shoot **8** of the first **11** matches

Shooters ***CAN*** shoot ahead or bank a score to be used to meet the eight matches requirement, you ***CANNOT*** use a score banked to delete a previously fired score.

The 8 highest scores of the first 11 matches will be counted toward average and league awards. So if all 11 matches are shot then only the 8 highest will be used for average. The 11th match will be the final match counted toward league average

It will also be a sanctioned CMP match - which means CMP award pins for shooters that score high enough & also makes one eligible to purchase from CMP

The 12th and final match will not be counted toward league average

At the 12th and final match shooters will be shooting for X- count only

For each X recorded on CMP Rimfire Targets

a ticket will be put in for a drawing of prize money

Each individual shooter can only win once - so if your name is drawn a second time it will be discarded and another ticket drawn.
